

Update from Executive Board on June 22, 2023

Kathy Rizzo informed us yesterday morning that she will be unable to perform the duties of president for Neighbors and Newcomers this coming year due to personal reasons. We appreciate her for stepping up when needed but understand that things happen that can change our plans. We wish her well.

Barbara Todd has agreed to be President for the 23-24 club year and Robbie Corbin has agreed to become Vice-President. The Board of Directors unanimously accepted their self-nominations yesterday. We thank them both! When you see them, "thank them" for stepping up to lead Neighbors and Newcomers next year.

Carolyn reviewed the club's finances with the Board and we have \$5,500 to distribute to local charities. This is all due to your generosity. Through our various fundraisers and direct donations, we will be able to make a difference in our community. Thank You!

The Board decided on the following eleven charities to receive \$500.00 dollars each:

Quilts of Valor	Peavine Care Center
Cumberland County Rescue Squad	Phoenix School
Stride Walk for Diabetes-Lions Club	Plateau Pregnancy
Military Memorial Museum	Avalon Center
Fair Park Senior Center	Imagination Library

Cumberland County Veterans Administration Council

Have an enjoyable and safe summer. See you September 28th at our next club meeting.

Brenda LaVigne, Secretary.
